Cosy Toes and Comfys

from

the "Feltwear" factory in Sunny California, within sight of the romantic old San Gabriel Mission, has come a big shipment of CosyToes—direct to our store. Never before were we so elated over a shipment. California has fairly outdone herself in giving us a bit of her relaxing comfort.

Words fail to adequately describe this wondrous assortment of slippers. There seems to be a pair to meet every one's fancy. Just think of the joy and lasting appreciation it's going to bring to give a pair of these elegant comfort slippers to each member of the family.

COSYTOES are quality Slippers fashioned by master designers from famous sun-bleached, all-wool felt. The soles and heels are tufted with the springiest of soft wool (patented construction) — to give maximum comfort.

But a word of warning — we have never been able to secure as many pairs of CosyToes as we would like, so we suggest your making selections immediately. Our stocks, while complete and abundant now, will not be so very long! Hurry!

RED CROSS RESCUED

600,000 FROM DEATH

Spent \$1,200,000 for Relief of Famine Sufferers in China Last Year.

To help overcome conditions of acute distress in five famine stricken provinces of Northern China, where millions of persons were affected by an unprecedented shortage of food, the American Red Cross during the last fiscal year spent more than \$1,200,000, \$1,000,000 of which was contributed directly by National Headquarters and the remainder by various groups interested in the welfare of China.

Through the wide relief operations thus made possible it is estimated that more than 600,000 famine sufferers were saved from starvation.

To the end that similar prompt relief measures by the organization may always be possible the Red Cross is asking continued support by the American people by universal renewal of membership at the Annual Red Cross Roll Call, November 11 to 24.

The method of relief employed by the American Red Cross in its operations in China was particularly effective, for in addition to saving hundreds of thousands of lives it provided China with more than 900 miles of permanent roads that are sorely needed to prevent a recurrence of famine. At one time the Red Cross employed 74,000 Chinese workmen, paying them in food for themselves and dependents, this food being brought in from Manchuria and elsewhere.

ONE DOLLAR ANNUAL DUES IN THE AMERICAN RED CROSS MAKES YOU A PARTICIPANT IN RELIEF WORK FOR THE HELPLESS THAT GIRDLES THE GLOBE. ANSWER THE ANNUAL RED CROSS ROLL CALL NOVEMBER 11-24, 1921.
